

04 July 2024 – BioConference UNODA UNIDIR WHO Geneva

Project HoloZcan represented by Michel Zayet, attended the “Biorisks, Biosecurity and Biological Disarmament Conference” on 04 and 05 July in Geneva.

In order to facilitate multi-stakeholder engagement around biological security and biological disarmament, the United Nations Institute for Disarmament Research (UNIDIR) with the United Nations Office for Disarmament Affairs (UNODA) and the World Health Organization (WHO) co-organized a stakeholder conference designed to bring together actors from civil society, academia and industry, along with diplomats, to stimulate the exchange of ideas and thinking around how to build biosecurity and bolster biological disarmament.
